how it works

Every week throughout the academic year
each student enrolled will receive one Nutrition
Mission bag on the last day of the week

(typically Friday)

Students will receive information on where to
pick up their food-filled bags from their school
counselor or front office

Parental figures and/or students are responsible for the pick up of their food-filled bags. If forgotten multiple weeks in a row, we have the right to unenroll your child from the program.

words from the parents

"It's just amazing to have such a program."

"It is a great program! Thanks SO much"

"With a child who has special needs this program help him learn to look for surprises in food. He is a picky eater but loves to try the food out of black bag. Thank you"

"Gives them easy healthy snack/meal options they otherwise wouldn't have."

"Thank you for all that you do!! My family is so blessed to have met you all."

"Thank you for all you do! The bread and milk voucher helps so much!"
